FROM THE SECRETARY'S DESK

The tragedy of September 11 has affected us all. No less as it has affected our Deputy Grand Master, R.: W.: Carl J. Fijte, and he respectfully requests that the Lodge post-pone his Honor Night to Nov. 1st., 2001 **THEREFORE THERE WILL BE NO PRE MEETING DINNER** as originally planned, but please join with your brothers at a Dutch-treat dinner at the Limerick House, 69 W. 23 Street, NYC. Upper level. (Please let me know if you plan to attend) At our first meeting of the new season, after all our postponements, it was a pleasure to hear the R.: W.: Michael Brzoza, District Deputy Grand Master of the Eighth Manhattan District, give the Grand Master's message. It was especially appropriate during this current crisis, and it was well received. Please note the change in the Ad Blanks for the Foundation Journal. The Foundation has already pledged \$2,000.00 for the Grand Master's World Trade Relief Fund. This monies will be "ear-marked" for the families of the employees that worked at the World Trade Center. Please send your contributions to the Foundation c/o Michael Hyman.

R.: W.: Martin Dashevsky

Harry S Truman Lodge No. 1066

Visit To Salem Lodge No. 62. County Kerry, Ireland.

May 25 2001

On May 17, 2001 someone was conspicuously absent from the Harry S. Truman Lodge No. 1066, regular Stated Communication. Brother Michael F. Estrada was at that time perverting his means of refreshment to intemperance at his 'sister-in-laws' wedding in Ireland. On May 25th, 2001 Brother Michael was attending a meeting at **Salem Lodge No. 62 in Templenoe, County Kerry, Ireland**. Having a full week to sober up, it was reported he showed up in good form. The Brothers at Salem Lodge No. 62, had a busy evening lined up for the members, not counting a visiting Brother from America. The Salem Lodge No. 62 was restricted from meeting for several months due to Foot and Mouth disease. This backed up their Trestle Board to the point where they had to delay the installation of their new officers. Add to this an Entered Apprentice wishing to be passed to the Degree of Fellowcraft and you can begin to see the full plate that was before them. Brother Michael stated he was a little nervous at first, but after presenting the proper credentials and passing a courteous examination he was treated to an interesting meeting and a Fellowcraft Degree ritual. Freemasonry is a mixture of responsibility, privilege, and benefits. While working in the quarries one can find any number of tasks where all three are present in the same event. While some may profess that traveling East is a benefit, I believe that it is also a privilege and responsibility. Within our own Lodge, District, State, or Country; We see the job of Freemasonry being done by the dedicated Brothers who have gone this way before us. We endeavor to become the **'Perfect Ashlars'** ourselves by our own contributions to our craft. We develop a sense of pride when we look back on all of the good work our Lodges have done. We hear this is a world-wide fraternity but many of us have never left our own borders. This last May, I had the privilege of visiting Ireland for the fourth time and visiting my first Lodge outside 'The United States of America'. Ireland is a great country. Its' people carry a great deal of pride for themselves and their country. So it was no great surprise to find the Brothers at Salem Lodge No. 62 as proud and as dedicated as any Mason I've ever known. Some of these brothers travel as much as two hours one way to attend meetings. I want to thank all the brothers at Salem Lodge No. 62 for their hospitality, and for letting me experience further light in Masonry. I tell everyone who wants to visit a great country, and great people to go to Ireland. I encourage any Mason to visit a Lodge in Ireland. You'll feel as welcome as your own Lodge back home. Special thanks to M.: W.: **David Frillele** and R.: W.: **Kenneth Leary**. Hope to see you fellows soon.

Bro. Michael F. Estrada

FROM THE EAST ...

MY BROTHERS,

Our next meeting scheduled for October 18th, was to be an Honors Night, at which we were to make Deputy Grand Master, of the State of New York, R.: W.: Carl J. Fitje, an Honorary Member of our Lodge. Unfortunately, this meeting has been rescheduled to our November 1st meeting, due to personal reasons that arose and were beyond the control of the Deputy Grand Master. We eagerly await his visit.

W.: Larry Barnard - Master

As Master of our Lodge, I extend our heartfelt condolences to the Deputy Grand Master, and his family; I also wish to reassure R.: W.: Fitje, and his family that the Brethren of the fraternity are with him, that we stand behind him, and are here for him and his family in their time of distress.

Since the Honors Night has been rescheduled to November, 1st, I have decided to move up our Conferral Of The Degree Of Fellowcraft, from November 1st to October 18th. Please make every effort to attend, so you can give your encouragement and support to the Brothers that will be going through this Degree.

In addition, I thank District Deputy Grand Master, of the 8th Manhattan District, the R.: W.: Michael J. Brzoza, and the Grand Sword Bearer, R.: W.: Gerald H. Hauser for their annual visit to our Lodge on the evening of October 4th. I would also like to thank all the Brothers both those who were visiting, and those who were from Harry S. Truman Lodge for the extremely large turnout to greet, and support the District Deputy Grand Master and Grand Sword Bearer.

In conclusion, I would once again like to congratulate R.: W.: Leonard S. Siegel, for the honor bestowed on him by the District Deputy Grand Master, R.: W.: Michael J. Brzoza; for all of the hard work that R.: W.: Siegel has done for our 8th Manhattan District. This is indeed an honor well deserved.

In addition, I wish to extend Birthday greetings to all the Brothers born in the month of October. Happy Birthday to you all.

Fraternally yours:

Larry Barnard
