FROM THE EAST...

MY BROTHERS,

Whomever, did not attend the Testimonial Dinner Dance, in honor of R.: W.: Michael J. Brzoza, District Deputy Grand Master of the Eighth Manhattan District and R.: W.: Gerald H. Hauser, Grand Sword Bearer of the Grand Lodge of the State of New York, you did indeed miss a gala event. More importantly you missed a wonderful opportunity to socialize with your Brothers, their families and friends. Good luck and continued success to you both.

W.: Larry Barnard - Master

Now as I sit here writing this my final message, two axioms come to mind; the first is that "**good things come to those who wait.**" I waited and for the past year, I've had the pleasure and honor of being your Master. The second, is that "**all good things must come to an end,**" and thus has my term as Master of our Lodge.

So it's with deep **Brotherly Love** and great **Humility** that I write this message to you, for it has indeed been an extremely rewarding experience being your Master.

I've always believed that the two greatest moments in a man's life, were when he got married and when his children were born. This was until I was raised to a Master Mason, and found that there was yet another important moment. Now I've discovered yet another significant moment, and that is when one is chosen to be Master of his Lodge.

I started my Masonic life twenty one years ago when I joined Joppa Lodge No. 55, Prince Hall. And so it will be that my most treasured memory of my term in office will be that, I was Master of Truman Lodge when we were granted the privilege to finally affiliate with our Brethren from Prince Hall. This was due in part to two Brother's of vision the M.: W.: Carl J. Smith, Grand Master of the State of New York, and the M.: W.: Daniel E. Simmons, Grand Master of Prince Hall; both of whom made it possible for us to fellowship with one another. Then just when I thought that nothing could get any better, I attended an Honors Night for R.: W.: Daniel M. Semel, hosted by Shakespeare Lodge, on Thursday, night May 2nd; what will make this event forever memorable is that our Grand Master and the Grand Master of Prince Hall were both seated in the East together. To make this event even better also seated with them were our Deputy Grand Master, R.: W.: Carl J. Fitje, and the Deputy Grand Master from :Prince Hall, R.: W.: Calvin Martin; this Honors Night will go down in history and unfortunately if you were not there you missed an event that can never be duplicated.

Thus it has been my privilege to be the first Master of Harry S Truman Lodge No. 1066, to welcome Brother's from Prince Hall Lodges into our Lodge. An also to have had the honor to take a delegation of Brother's from our Lodge to attend a Master Mason Degree at Joppa Lodge No. 55; the Brother's that went with me were R.: W.: Nathan Savlowitz, Brother's John Andrades, Jon J. Barral, Michael J. Siegel, and Michael W. Wilson. I am extremely proud of my administration and of all the things that together we were able to accomplish.

My Brother's not every man is suited for leadership, nor can every Brother be a great ritualist; nor does either of these qualities make or prepare a Brother to be neither a good or bad Master. Rather it's you the Brethren of the Lodge that either make or break a Master. I've been very, very fortunate for each and every one of you have made me look exceptionally good as your Master.

While the curtain is closing on my stewardship, my love for the Craft and for the Brother's of Truman Lodge continues to grow. I sincerely, thank you for granting me the opportunity to be your Master.

In closing, our next meeting scheduled for May 16th, is very important for that is the night that we elect and install our new Master and his Officers. This is your Lodge so please come out and witness and participate in these proceedings.

Also as has been my custom, I for the last time as your Master extend Birthday Greetings to each and every Brother born in the month of May.

Fraternally yours:

Larry Barnard W.: Larry Barnard - Master
