Winter 2002

DD Michael Brzoza's Message To Temple Post PLAN AHEAD — Start Having Fun Now

Members of Temple Post No. 19, Masonic War Veterans State of New York are shown with the (fourth from left) District Deputy Grand Master Eighth Masonic District, R.:W.:Michael J. Brzoza on January 24, 2002, the evening of his official visit to the Post. From (Left) are: Eighth Masonic District Leader, R.:W.:Melvin J. Silverman; Grand Sword Bearer Eighth Masonic District, R.:W.:Gerald H. Hauser; Past Commander General Grand Post, R.:W.:Mortimer J. Katzen; Brzoza; Past Commander General Grand Post, R.:W.:William L. Mayers; Commander Temple Post No. 19, R.:W.:Eugene J. Glaser; Judge Advocate Temple Post No. 19, P.C. Leonard S. Siegel; Quartermaster General Grand Post, P.C. Herbert Wasserman.

The January meeting of Temple Post No. 19 of the Masonic War Veterans of New York was highlighted by the annual visit of the District Deputy Grand Master from the Eighth Manhattan District, R.:W.: Michael Brzoza and h Staff Officer, R.:W.:Gerald H. Hauser.

"PLANNING FOR THE FUTURE" exclaimed Brother Brzoza "is what I do all the time and you know what, it means you can start enjoying the event right away." He explained how for an upcoming cruise by looking ahead at anticipating the details and doing what it takes: the right tuxedo, getting in better shape, reserving the right day trips it can really make the trip fun right from the beginning.

Brother Brzoza then talked about how The District Deputy's and Staff Officer's Testimonial Dinner, and Journal are fine examples of planning. By starting now and securing Journal ads and getting the brethren to come out and attend the affair, we can really have fun right from the start and create a stronger District.

In closing, Brother Brzoza thanked the leaders of Temple Post for the room full of members, their wives and guests, and urged that by supporting the District with their generosity in this, the District's only fundraiser, we can make the Journal and Dinner a success and have fun at the same time.
